

Notice Regarding Price Revision for TOKYO SAIKAI products

Dear Valued Customer,

TOKYO SAIKAI will revise the price for certain products effective from Thursday, September 1, 2022.

We have been made various efforts to adjust prices, however the price of raw materials and fuel and other costs are continuously rising and we have decided to implement a price revision for our products.

We greatly appreciated your business and hope you understand the necessity for this price increase to keep porcelain manufacturing in Hasami, Nagasaki.

Should you have any questions, please do not hesitate contact us to trade@tokyosaikai.com
